

ROYAL NAVAL ASSOCIATION

Royal Naval Association Gazebos – NEW BRANDING

We are able to source Gazebos centrally for a price of £976 (including VAT)

The advantage?

- Consistent RNA branding with the option to add a branch or area name
- Commercial grade (extremely hard-wearing, Water and Fire resistant with a 3x3m carry bag with all the kit)

AIM: To be able to give Areas access to a branded gazebos, in order to attend events to recruit and raise awareness of membership

PURPOSE: To consistently raise the Identity of the Royal Naval Association as a recognisable brand

HOW: A quality gazebo comes at a substantial cost, negotiating a price centrally will allow clubs to 'buy into' and share the cost of a branded gazebo
